KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

College-bound students also take entrance exams. Our students' performance on these rigorous tests is shown below.

ABOUT OUR SCHOOL'S PROGRESS

The results from these tests also are used to measure the progress of our school toward state and federal academic goals. The report called "Adequate Yearly Progress Indicators" details which goals our school met and those we may have missed.
