INTRODUCTION

THE PURPOSE OF THIS AGENDA

This agenda is intended to be used to record assignments, events and important dates and as a means of communication with parents. The agenda and the Registration Handbook serve as a reference of LCHS policies and procedures. This agenda book also serves as a hall pass. Any student outside of their assigned classroom at any time must have their agenda with appropriate written permission. (Borrowing the agenda of other students is not permitted.)

LIBERTY CHARTER HIGH SCHOOL MISSION STATEMENT

Liberty Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life and who are well prepared for post secondary education.

LIBERTY CHARTER HIGH SCHOOL PHILOSOPHY

Liberty Charter High School is grounded in the belief that when there is low threat and content is highly challenging, accelerated learning takes place.

PRINCIPAL'S MESSAGE

Dear Parents and Students:

Welcome to the 2011 - 2012 school year. I am excited for the many opportunities students will have this year. We have made several changes this year that I trust will encourage your student to excel in his/her learning experience. Parents, please take time to sit down with your student and familiarize yourselves with our policies; drawing attention to our Attendance Policy, May Awards and Student Appearance Policy.

The staff and I are dedicated to making this year one where students are growing and maturing both academically and socially. We will provide a safe and effective learning atmosphere for each student. To help in this area, we have comprised this agenda with necessary guidelines and rules to ensure effective learning. This agenda will also act as a planner for assignments, to assist your student with upcoming deadlines and as a tool of communication for you and the instructors. I am asking each parent and student to read over this agenda together.

If you ever have a concern, comments or question, please do not hesitate to contact our school office.

Looking forward to a great year,
Mrs. Rebecca Stallcop, Administrator

ATTENDANCE

ATTENDANCE POLICY

At Liberty Charter High School regular attendance and punctuality are a vital part of a student's education. LCHS teachers implement a high level of direct teaching and interactive learning and both students and teachers are held accountable to complete a set of standards and benchmarks. These teaching techniques do not allow students to simply make-up concepts missed. In accordance with our charter, LCHS has a 96% attendance standard. **Every effort should be made by students, parents and administration to ensure that students are in attendance and punctual every day.** A year-round school calendar is provided well in advance to allow families to schedule activities during breaks.

Students are expected to attend classes regularly. Each time a student enters a class more than 15 minutes after it has started, or is absent for more than 15 minutes while the class is in session, the student will be charged with an unexcused class absence. A student arriving less than 15 minutes late will be tardy, and three (3) such late arrivals are treated as one (1) unexcused class absence. If a student has more than three (3) unexcused class absences during any school day, the student will also be noted as having a full day unexcused class absence.

Excused absences – The Administration and Governing Board recognize that there are special circumstances when a student may need to participate in another event or activity rather than attend class. An absence will be considered "excused" if the student could not attend class because he/she is ill, or is attending a funeral or wedding of an immediate family member (father, mother, brother, sister or grandparent), and the student's parent/guardian provides reasonable evidence that this was the cause of the absence. However, the cumulative effect of regular class attendance is critical to the learning experience that Liberty Charter offers, which the student misses even when the absence is excused. Students with excused daily absences or excused class absences (in the same class) of 9 per semester or 12 per school year may be required to meet with the Governing Board.

Unexcused absences –absences due to non-school related activities, club or family events, trips or vacations, and **any absences not reported to the school by a parent/guardian within two school days of the student’s return to school will be considered unexcused.** Parents should schedule doctor, dentist and orthodontist appointments after school hours or during breaks. Absences for non-emergency or routine dental, medical and orthodontic appointments are considered unexcused. Off-campus lunches with parents, family or friends are unexcused.

Number of Class Absences per semester Sanction

3 unexcused absences	The semester grade that the student would otherwise receive is reduced by one full letter grade.
5 unexcused absences or any combination of 9 excused and unexcused absences	The student will be given a failing semester grade for the class (F).

Effect of School Day Absences – If the student has the indicated number of general school day absences (as described above) in a semester, then in addition to any sanction for class absences, the student is subject to the following sanctions:

Number of Daily Absences per semester Sanction

3 unexcused absences	The semester grade that the student would otherwise receive in all classes will be reduced by one full letter grade.
5 unexcused absences or any combination of 9 excused and unexcused absences	This represents habitual truancy and a request will be submitted to the Governing Board that the student be permanently expelled from the school.

MAKE-UP WORK

Students are responsible to make arrangements for make-up work, assignments and tests upon his or her return to class.

- Students will be allowed 2 days make-up time for each excused absence to make up new material.
- Students are responsible to make arrangements for make-up work, assignments and tests upon his or her return to class.
- It is the responsibility of the student to check with the teacher about any new assignments or tests that may have been announced during an absence from class.
- Except in extenuating circumstances, assignments or tests that are assigned in advance of the student’s absence are due on the day the student returns to school unless other arrangements are made with the teacher. The student is responsible to have all assignments completed and be prepared to take any tests upon his or her return to class.
- “Assigned in advance” means the assignment or test was listed in a class syllabus, class handout, on the web, written on the board, or announced by the teacher.

To participate during the school day in extra-curricular activities a student must:

- Show written documentation that they are receiving a C or better grade in each class they will miss and that they have no unresolved behavioral referrals.
- Turn in assigned class work and take any assigned tests prior to participating and leaving school for the day unless specific arrangements have been made by a teacher.

TARDY POLICY

All students arriving after 7:30 am must check in with LCHS Registrar in the High School office. Four (4) minutes are provided between classes. Students are expected to be in their seats ready to begin by the start of class. Students are considered tardy if they are not in the classroom when the class begins. Tardies are accumulated for individual classes each semester. A student will receive an unexcused absence if he/she is tardy for the first fifteen (15) minutes of any period. From that point on, the student will be considered truant (unexcused absence). Consequences for violation of the tardy policy are as follows: second tardy per class – student serves detention; third tardy per class – student serves detention; and fourth tardy per class - student serves Saturday. Students with excessive tardies will be required to appear before the Governing Board for further consequences. Three unexcused tardies will be considered an unexcused absence and can result in a decrease the student's grade and/or loss of credit.

CHECK OUT/IN

All students must check out of school with LCHS secretary. **No exceptions.** Written or verbal permission from a parent guardian or persons designated on the enrollment form must be provided prior to the student leaving school. Failure to do so **will** result in truancy. Upon returning to school, students must check in with LCHS secretary before returning to class.

ABSENCE VERIFICATION

Parents are required to call the LCHS Secretary at 466-7952, or email the high school office, on the day a student will be absent from class and repeat this call each day the student will not be in attendance. We have a 24 hour answering line available for your convenience. A doctor's note is recommended for extended absences due to medical reasons. **Three (3) or more consecutive absences will require a note from a physician.** If appropriate notification has not been received within 2 days of student's return to school, the absence may be considered an unexcused absence.

- Any students over 18 years of age, living at home must follow above policy.
- Any students over 18 years of age living independently may provide their own documentation.

TRUANCY

Truancy is defined as a student being absent for all or any part of the school day, without the approval of the parent, guardian or school authorities. This includes students who are on the campus, but not in their assigned classroom. Truancies accrue for the entire year.

- First truancy - student will serve Saturday School performing school service.
- Second truancy - student will appear before the Governing Board.

Any student truant for two consecutive days will be reported to the Canyon County Prosecutor's Office and driving privileges will be revoked.

EXPULSION

A student will be expelled only after the Governing Board has given written notice to the parent/guardian of the student, stating the grounds for the proposed expulsion, and specifying a time and place where the parent/guardian of the student may appear to contest the proposed

action of the Board. This notice shall also state that the student has the right to be represented by counsel, to produce witnesses, and to submit evidence on his/her behalf, and to cross examine any adult witnesses who may appear against him/her. The Governing Board for Liberty Charter School has reviewed and adopted policies described above and determined that the indicated sanctions, including the expulsion of the student, would be appropriate unless there are extraordinary circumstances.

ATTENDANCE AND THE DRIVER'S LICENSE

Any student who has been verified by the school as dropped from enrollment will be reported to the Department of Transportation as per the Driver's License Policy. **(IDAHO CODE 49-303A)**

DISCIPLINE

DISCIPLINE POLICY

Students are expected to be respectful and kind to fellow students, staff and visitors at all times, exhibit good work skills, and use appropriate language. Students are expected to follow school rules and policies throughout the school day, at all times on LCHS campus and while involved in any event associated with the school. School rules and policies apply to transportation to and from events as well. When students commit an infraction, the faculty member(s) involved will complete an Incident Report. Incident reports will be kept with administration. The administrator will determine appropriate consequences for each incident. Non-compliance with Liberty Charter School rules or policies may result in the student appearing before the Governing Board for possible suspension or expulsion .

STUDENT APPEARANCE

Selecting the correct dress for the setting is a lifelong skill. Student dress should reflect the notion that school is a place of business where students are learning both academic and social skills. In an effort to maintain a safe and orderly school environment for students, the following dress guidelines have been established. It is the opinion of the administration and the governing board that student attire has a direct effect upon the educational environment and upon the individual student's ability to function at an optimum level. Appropriate clothing for class or any school activity must be reasonable, safe, clean, and non-revealing. An individual's dress and personal appearance should reflect a sensitivity and respect for others as well as be appropriate in a professional work environment. The following guidelines are to be followed by students of LCHS during the school day and at any school-sponsored activity or any event in which students are serving as representatives of the school.

- Midriffs, cleavage and underclothing must be concealed at all times.
 - Pants are to be worn at the waist covering underwear.
 - Shirts and tops must go over the shoulders, i.e. no tube tops, single shoulder tops or halter tops. Straps must be a minimum of 3 fingers wide (no spaghetti straps or "muscle man" shirts).
 - Tops must cover cleavage (Neckline should be higher than the straight line from underarm to underarm).
 - Shirts and tops must reach below the belt line to cover the stomach.
 - Tops must conceal undergarments, e.g. no bra straps showing and no sheer or see-through tops.
- Shorts, dresses, and skirts must reach at least mid-thigh and be as long as the tip of the middle finger and provide coverage when the student bends over at the waist.

- Footwear must be worn at all times for health and safety. Flip flops may be worn before fall break and after spring break. Students will refrain from wearing gang attire of any kind. Garments that advertise inappropriate or illegal substances or clothing items with suggestive or obscene statements are prohibited.
- Hats, bandanas, stocking caps and hairnets are prohibited.
- Hair color will be within the natural hair color spectrum (brown, black, blonde or auburn).
- Facial piercing will be limited to small studs in the nose only.
- No facial rings of any kind will be allowed.
- Earrings are acceptable with the exception of ear gauges. **EAR GAUGES ARE NOT ACCEPTABLE.**
- Temporary and permanent tattoos must be concealed during school hours. (Medical tattoos may be allowed with approval by the administrator).
- Pajamas and loungewear are not allowed.
- Leggings are not considered pants, therefore skirts or tops worn over leggings must reach mid-thigh and be as long as the tip of the middle finger.

The administrator or his or her designee may determine whether clothing is too revealing or inappropriate and whether it has a direct effect upon the educational environment and upon the individual student's ability to function at an optimum level. Students wearing attire deemed inappropriate by LCHS staff or Administrator will be provided alternative clothing to cover up (i.e. large t-shirts or sweatpants). This clothing must be laundered and returned to the school the following day.

Required dress for student participation in activities that are in any way representative of the individual school or community shall be outlined by the respective sponsor and administration.

PUBLIC DISPLAY OF AFFECTION (PDA)

Liberty Charter School promotes a professional environment, one in which students recognize not only how to appropriately behave in the school environment, but also what will be expected and valued as employees when they enter the workforce. Therefore, Public Displays of Affection (PDA) are unacceptable on school grounds either before, during, or after the school day, at any school-sponsored activity/function, or any activity/event in which students are serving as representatives of the school.

Consequences are as follows:

- First Offense: Detention
- Second Offense: Saturday School
- Third Offense: Meeting with Administrator and Parents.

LANGUAGE

Students will refrain from swearing or using foul language at all times. Students will speak kindly and respectfully to staff and fellow students. Students speaking inappropriately, disrespectfully or unkindly will be assigned detention and an incident report will be completed. Repeated incidences may require an appearance before the Board of Review as stated in the Discipline Policy.

WEAPONS POLICY

Absolutely no weapons of any sort or anything that resembles a weapon are allowed on Liberty Charter School property or at school sponsored activities at any time under any circumstances. Any student who brings a weapon to school property and/or school sponsored activities is in violation of the Gun-Free Schools Act and Idaho Code 18-3302D, and shall be expelled for a period of no less than 1 year (12 months). A recommendation will be made to the Governing Board for extended suspension or expulsion.

Consequences: The school district takes a position of addressing each case individually in regard to the possession, use or distribution of weapons by students. The minimum consequence for student's possession, use or distribution of weapons may include (upon discretion of Administrator):

- Confiscation of the weapon
- Notification of Police
- Notification of parents/guardians
- Suspension
- Hearing with the Governing Board

Application to Instructional Equipment/Tools: While the school district and the school wish to address each case individually, it takes a firm position on the possession, use or distribution of weapons by students. Such a position is not meant to interfere with instruction or the use of appropriate equipment and tools by students. Such equipment and tools, when properly possessed, used and stored, shall not be considered in violation. However, when authorized instructional and work equipment and tools are used in a potentially dangerous or threatening manner, such possession and use will be treated as the possession and use of a weapon.

Administrative Discretion: The superintendent may use discretion in determining whether, under the circumstances, a course of action other than the minimum consequences specified above is warranted. If so, other appropriate action may be taken, including consideration of a recommendation for lesser discipline.

FIGHTING (BATTERY)

Liberty Charter High School's philosophy "*is grounded in the belief that when there is low threat and content is highly challenging, accelerated learning takes place*". Fighting is diametrically opposed to "low threat". A fight is described as follows: Pushing, shoving, kicking, pulling or physically connecting in an aggressive manner with another student. Parents will be notified of any fight (battery). The consequences for a fight are as follows.

1st Fight (Battery):

- Parents will be notified by phone.
- If deemed necessary, the authorities (police) will be notified.
- Three day in-school suspension.

2nd Fight (Battery):

- Parents will be notified by phone.
- The Liberty Charter School Board will be notified and may require a meeting with the student and parents.
- Authorities (police) will be notified.
- Suspension, duration to be determined by the Board.

3rd Fight (Battery):

- Parents will be notified by phone.

- Authorities (police) will be notified.
- The Liberty Charter School Board will be notified and will conduct an Expulsion hearing with the student and parents.

DRUG POLICY

LCHS adheres to the policies as described in the Safe & Drug Free Schools Act as described by the Idaho State Department of Education and enforces a “no tolerance” drug policy. A student is in violation of school policy if he/she is involved with drug paraphernalia, controlled substances, or drugs, on any school premises or at any school sponsored activity. All incidences or suspected incidences of possession or distribution of controlled substances, over-the-counter, or prescription medication will be reported to the appropriate law enforcement agency. Any student requiring over-the-counter or prescription medication must leave it with the LCHS secretary in the office as described on page 18 under Administering Medication. If there is probable cause that a student is in possession of drugs, all property is subject to be searched including lockers.

BULLYING AND HARASSMENT

LCHS will maintain an educational environment in which bullying or harassment of any kind will not be tolerated. Bullying is the repeated aggressive behavior of frightening of others with an apparent intent to dominate. Bullying may include, but not be limited to, physical (hitting, pushing, or attacks on property; verbal (name-calling, obscene gestures, malicious teasing, or electronic threats); or indirect attacks (intentional exclusions from groups, anonymous hurtful notes, or spreading false rumors). Bullying often occurs without provocation. Bullying is **not** playful teasing between relatively equal individuals.

Bullying may include: harassing, teasing, intimidating, threatening, or terrorizing another student or staff member. Cyber bullying includes but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student or staff member by way of any technological tool, such as sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or website postings (including blogs). Bullying or cyber bullying behaviors have the effect of:

- Physically, emotionally or mentally harming a student;
- Placing a student in reasonable fear of physical, emotional or mental harm;
- Placing a student in reasonable fear of damage to or loss of personal property; or
- Creating an intimidating or hostile environment that substantially interferes with a student’s educational opportunities.

How to report bullying:

A student can report a complaint of cyber bullying, orally or in writing, to the administrator or a staff member. If a parent initiates the complaint, the administrator/designee will follow-up with the student. Information will be gathered by the administrator/designee to determine if the alleged bullying or cyber bullying conduct occurred. After gathering the information, the administrator will determine the need for further investigation or the appropriate intervention, including disciplinary action, to ensure that the conduct ceases.

A violation of this Policy will subject the offending student to appropriate disciplinary action, consistent with the school’s discipline policy, which may include suspension, expulsion, or notification to the appropriate authorities.

SEXUAL HARASSMENT

It is the policy of Liberty Public Charter School to maintain a learning environment that is free from sexual harassment. It is a violation of this policy for any Liberty employee to harass a student or for any student to harass another student through conduct or communication of a sexual nature.

For the purpose of this policy, sexual harassment is defined as any unwanted or unwelcomed verbal, written, or physical conduct of a sexual nature that interferes with a student's right to learn, study, work, achieve, or participate in a comfortable and supportive educational atmosphere. Students who believe they are being harassed should report the situation to a teacher, or the administrator immediately. Disciplinary action for violation of this policy may involve up to and include suspension and/or expulsion. Liberty Charter School officials will follow appropriate state and federal laws, and refer to the following Idaho Codes as appropriate.

ACADEMIC PROBATION

A cumulative grade point average of 2.0 (C average) is required for graduation. Any student that falls below a 2.0 cumulative GPA at any semester grading period will immediately be placed on academic probation. A designated faculty member will work with the student to develop strategies to improve their GPA. Strategies will include opportunity for additional academic assistance through either teacher or peer tutoring. Grades will be monitored for the following 2 –3 weeks. If improvement is not evident, the student will be required to participate in a meeting that includes their parents to develop a plan of correction. Students who fail to meet the required GPA requirement at graduation may appeal this decision before the Liberty Charter School Governing Board

ACADEMIC INTEGRITY/PLAGARISM, CHEATING

Liberty Charter High School holds academic integrity to be one of the most important qualities in the educational setting and considers cheating or academic dishonesty to be a serious violation of school rules. LCHS defines academic dishonesty as follows:

- Intentionally receiving or providing information during a test.
- Intentionally receiving or providing information on tests given during an earlier period.
- Intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise.
- Using ideas or written material from other sources, i.e., students, professional writers, Internet notes, study guides without acknowledging the source in their own writing.
- Intentional and unauthorized falsification or invention of any information or citation in an academic exercise.
- Using or copying another student's homework when not authorized by the teacher to do so.
- Allow other students to use their work on assignments.
- Intentionally or knowingly helping or attempting to help another student violate any of the above provisions.

The official school consequences are listed below. In addition to those, the administration will refuse to write any letters of recommendation and will if necessary; notify the university if the incident should happen later in the academic year.

- First Offense – Student is given a zero on the compromised work. Student will be referred to administration for disciplinary action. Parent and student will sign a contract that notifies a second offense will lead to student being dropped from the course with an F.
- Second Offense – Student will fail the course and will be referred to administration for further disciplinary action with the possibility of expulsion.

HOMEWORK POLICY

The education of today's youth must be considered a team effort involving parents, students and teachers. Research shows that the most successful students, regardless of family income or ethnic background are those who have regularly structured homework time. Homework allows additional practice and reflection, reinforces skills, and provides practical application and time for additional research. Homework helps establish a basis for independent and life long learning while the discipline of nightly homework creates a habit that will be beneficial throughout life. It is our intent to require reasonable and constructive assignments that will contribute to the student's success in the classroom.

- Homework assignments are required and will apply to the student's grade.
- Students will record homework assignments in their agendas.
- Students with late or missing assignments will be required to attend after school detention and will be required to attend detention daily until the assignment is complete. A parent must provide transportation if the second bus is not available.
- Daily assignments/homework that are up to 2 days late will result in a 50% drop in grade; after 2 days, the student will receive a 0 for that assignment.

It is not our intention that parents teach their teens; however, parental support and encouragement is essential for many students to be successful. The following have proven beneficial to both parents and students:

- Establish with your student that homework is a priority.
- Establish a regular homework schedule.
- Discuss, read and review assignments periodically.
- Listen to rehearsals of presentations.
- Review and discuss grades on completed assignments.

DETENTION

ATHLETICS

Athletics Philosophy

Liberty Charter High School believes that its athletic program helps promote the Harbor School Method philosophy of respect for others, which in turn promotes the best interest of our student athletes. We also believe that when athletics are run correctly, they add to the strength and foundation of education at Liberty. Athletic competition provides situations that allow student athletes to better understand the importance of self-confidence, hard work, discipline, sacrifice and working together toward a common goal of reaching maximum potential as teams and individuals. Student athletes are also provided unique opportunities to develop new skills, learn the importance of practice and preparation, demonstrate good sportsmanship, develop leadership skills, and learn the ideals of fair play and ethical behavior that are necessary for competition and cooperation in our society. These ideals and character traits are all consistent with the Harbor philosophy.

Sportsmanship

Student athletes, coaches and parents are expected to demonstrate the highest level of respect for each other, opponents, opposing coaches, teachers, officials, spectators, and the community at large. Student athletes and coaches are expected to exhibit the highest level of conduct, both on and off the playing fields, as they are representing at all times their team, school, and community. Sportsmanship is defined by the Idaho High School Activities Association as: Those

qualities of behavior which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual's influence on other's behavior as well. To remind student athletes, coaches and spectators of our commitment to good sportsmanship, the following announcement will be read prior to all athletic contests:

"Welcome to Liberty Charter High School. The purpose of this activity is to provide positive learning experiences and opportunities for growth for these young people. We are please to host our guests from [visiting school]. This competition is being conducted according to the rules of the IHSAA. Student athletes, cheerleaders, coaches, parents and spectators can and are expected to assist in the promotion and achievement of good sportsmanship. Please take the personal responsibility of keeping this contest at a high level of fair, clean, wholesome competition."

We look forward to seeing you at Liberty's games and cheering on the Vipers!

Athletics Requirements

Academic Eligibility

At Liberty Charter High School, athletics support academics. Liberty will follow the academic eligibility guidelines established by the Idaho High School Activities Association (IHSAA). Therefore, to be academically eligible for athletics, a Liberty student must be enrolled fulltime and be on target to graduate based on State Board of Education graduation requirements. A student must have a cumulative, non-weighted grade point average of 2.0 or higher. During the previous semester, student athletes must have received passing grades and earned credits in the required number of courses. Equivalency is determined by the following criteria:

- Four (4) classes available must pass at least three (3)
- Five (5) classes available must pass at least four (4)
- Six (6) classes available must pass at least five (5)

Family Service, Community Service, and May Awards are not considered classes, and as such, those grades are not counted as part of the required number of classes passed to determine eligibility. Those grades are calculated into a student's overall cumulative grade point average (GPA) at the end of the spring semester to determine eligibility for the subsequent fall semester. A student who fails to meet all of the above criteria will be ineligible for extra-curricular activities for the next semester.

All students and parents will be required to show appropriate sportsmanship at all athletic events. Violation of General Conduct rules by students/parents/adults may warrant consequences based on severity and frequency of infraction at the discretion of the coach, activities' director, or principal. Consequences may include but are not limited to: playing time lost, game suspensions, dismissal from the team, adults being banned from attending games home or away.

Students must be working independently and quietly at all times. Any student found to be disruptive while in the high school office will be asked to return to their assigned classroom.

STUDENT GOVERNMENT

Student input through student government can be a valuable asset to the total education process. As an auxiliary unit it can lead to a smoother functioning of a comprehensive high school. Involvement in student government can assist in the augmentation, supplementation and implementation of organizational policy. PARTICIPATION IN SCHOOL ACTIVITIES (During school hours)

When students participate in school-sponsored activities during the school day and miss classes they must meet additional eligibility requirements. Schools are provided primarily to educate students through the classroom curriculum and instruction. As such, it is expected that students will first be responsible for the requirements of the classroom. Extra-curricular opportunities are a natural extension of classroom activities and student participation is encouraged as long as it doesn't interfere with the primary function of the school. To participate during the school day in extra-curricular activities a student must show written documentation that they are receiving a C

or better grade in each class they will miss and that they have no unresolved behavioral referrals.

A student must attend at least four class periods the day of an activity or athletic event when classes are in session. Failure to attend school will make the student ineligible for participation. A student who is truant one or more periods in a day will be ineligible for participation in extra-curricular and co-curricular activities that day. Exceptions to this policy are school excused absences and/or other extraordinary circumstances that are arranged in advance with the administrator.

APPRENTICESHIPS

In an effort to help students develop excellent work skills and to provide "real work" opportunities, LCHS includes an Apprenticeship Requirement. This is an excellent opportunity for students to explore career options and work situations. An apprenticeship enables students to make contacts and develop areas of interest that might become career opportunities after high school. The foundations of the Apprenticeship Program begin in the Career Studies course during their sophomore year. The coordinator will meet individually with students to assist them as needed in making contacts, establishing objectives, monitoring progress, and completing required work. The apprenticeship program requires students to exhibit a high level of responsibility and independence. **Contracts must be signed to begin apprenticeship. Any apprenticeship started without the contract signed, will be transferred to community service.** Liberty does not provide transportation for the apprenticeship program. Apprenticeships may be completed during the school year (outside of school hours) and during breaks. Students must complete an apprenticeship program for each year in attendance grades 10-12 for a total of 120 hours as follows:

- 30 hour apprenticeship - Sophomore (1.0 credit)

FAMILY SERVICE & COMMUNITY SERVICE HOURS

LCHS students are required to complete 50 hours of Family/School Service and 50 hours of Community Service each year. Hours must be turned in with dates; appropriate detail describing tasks, and have appropriate signatures. Parents may sign for Family Service hours. Community Service hours must be signed by the individual the student worked for. Service hours must be non-paid and should not directly benefit the student in any material way. Students will be issued

a grade at the end of the second semester that will be applied to their transcripts. The breakdown for grades received is as follows:

50 hours	A
45-49 hours	B
40-44 hours	C
35-39 hours	D
Below 35 hours	F

In order to meet graduation requirements, all students must complete a minimum of 40 hours per year in attendance and receive a C or above on their transcript. Therefore, students who turn in less than 40 hours in a year must make up the missing hours as well as achieve the required 40 or more for the current year and are limited to a C on their transcripts.

NATIONAL HONOR SOCIETY

The PSI OMEGA CHAPTER of the National Honor Society inducts new members each spring. Any tenth, eleventh or twelfth grade student who has a cumulative grade point average of 3.8 or better and is current on their community and family service hours is eligible for membership. Eligible students are notified in February. To be considered for membership, they are requested to fill out an activity form listing school, community, and job activities. A list of students who meet the above requirements is then presented to the staff, administration, and honor society advisor and they will evaluate students based on service, leadership, and character. The honor society advisor then makes the final decision for membership. Members must maintain the high standards of the Honor Society: scholarship, leadership, character and service. Any member whose cumulative grade point average falls below 3.8 will be removed and cannot regain membership until the following school year.

HONOR ROLL

Liberty Charter High School students will be included on the Honor Roll if:

- The student is enrolled in a minimum of four courses where a letter grade is given; and
- The student achieves a minimum grade point average of 3.5 for the semester.

The administrator will release and make public an honor roll at the end of each semester.
